

APPLICATION ESSAY

Because of continued interest in traveling to Italy, twenty-two spaces are now available for the 2008 spring trip. All students who are applying to participate in Italian Exchange X must write an application essay. In this essay, students are to list the reasons why they wish to participate in this program. In addition, students are to indicate how they think participation in this program will benefit them as students, as individuals, and as global citizens. Include a description of your home life, your interests, what you like and do not like and other information that you would like your Italian family to know about you. This essay will be published online and will be the first impressions the Italian families will have of you.

Furthermore, as a scholarship applicant, qualified students (10th graders only) need to explain why they wish to travel on the ***Kaitlyn Dante Memoriam Scholarship Fund***.
